1ST ANNUAL CCCA FIELD DAY

We will be having our 1st Annual CCCA Field Day on August 21st at the Woodbury Expo Building! Registration will begin at 9am with activities starting at 10am!

It should be a day of fun, food and fellowship. We have a few speakers lined up to speak on things happening in the industry and in our area along with a couple contests to test your skills!

We have vendors coming to the event from numerous sectors within the livestock in-

dustry including pharmaceuticals, feed, nutrient management and equipment dealers. So come meet them and ask the questions you need answered.

Thanks to the vendors, we will be holding 2 raffles at the Field Day. The first is for new CCCA members and the second is for new TCA mem-

Super Baldy heifers at DS Farms

bers. For every new member you sign up you get your name entered into the raffles. There will also be prizes for other contests going on as well as door prizes.

Please show your support for your new organization by helping us GROW!

A few of the CCCA Members were in attendance for a meeting recently for a proposed Ag Learning Center that will be built at the Cannon County High School.
